#### My role:

-bug fixing

-implementing new features

-code cleanup

Fixing bugs such as eternal account activation link, refactoring code and implementing new features, e.g. logging in without page reloading using jquery and ajax. Involved over the last two months till now.

## **EDUCATION**

I. I. Mechnikov Odessa National University

2011-2015

### **International economic relations**

Studying there gave me a lot but most important it gave me understanding of whom I want to become.

## **INTERESTS**

I am highly motivated in becoming professional web programmer. I know it's not easy and that it needs a lot of hard work. I chose this way and I will not deviate from the intended path.
